

## Three From Forty

37  
3 from 40  
22 from 15  
tick tock  
the clock  
has turned too fast  
so fast  
whose watching the 2<sup>nd</sup> hand now?  
it's me  
tick tock  
the clock won't stop  
rigid turned to creepy  
easy to achy.

37  
3 from 40  
17 from 20  
Finite numbers  
almost numb  
but 37  
is 23 from 60  
maybe  
the clock  
wont tick or tock  
the time so quickly  
now that I am  
43 from 80
